Love Knoxville: Encourage Teachers

There are 8,500 teachers and administrators in Knox County Schools. We want to put a note of gratitude in each of their hands as they start school in August. Throughout the month of July, we'll have cards available for you to pick up in Guest Services: grab a handful, write a note of thanks, and return them to Guest Services by July 29. We'll deliver them to Knox County Schools before school starts.
